From

Revenue Commissioner in Mysore.

To

The Secretary to the Government of
H.H. the Maharaja of Mysore,
Revenue Department.

SIR

Adverting to correspondence ending with G.O. No.1014-15 D.31-23-4 dated 25-4-24 sanctioning the continuance of the special establishment sanctioned for this office up to the end of June 1924, I have the honor to state that though some parts of the affected Districts received good mungar rains, relief works will have to be kept open and fresh works started if necessary in the badly affected parts mainly to provide labour to the cooly classes until the next crop is assured which will be only if thesouth-west monsoon and the hingar rains are timely and copious and this can be found out only in October 1924.

2. The work connected with distress will have to be continued in this office as long as relief works are kept going on in the affected areas of the State and until normal conditions are restored in those parts.

3. In the circumstances, I request that Government may be pleased to sanction the further continuance of the special establish-

sanctioned for this office for a further period of three months up to end of September 1924.

I have the honor to be,

Sir,

Your most obedient servant,

N. Keaveny

Revenue Commissioner.
